

K-Love radio is national radio station that needs to be left on the air. This station provides positive, family oriented listening that only benefits our community as well as across the nation. There are no other stations in our community that provide this type of service. By allowing LPFM to take over the transmitters, we would loose a great station and our community would suffer tremendously. I have personally benefitted because K-Love provides positive encouragement that has helped me through so many down times in my life. I know this is true for many of my other friends and family as well. Please do not allow this change to happen. Thank you.
